

ITW Food Equipment

ITW's Food Equipment segment designs and manufactures advanced ware wash (dishwashing), cooking, refrigeration, and food processing equipment and provides service for institutional, industrial, restaurant, and retail customers around the world. ITW's Food Equipment businesses are highly branded with industry-leading positions differentiated by innovation and unique, integrated service offerings. These well-known brands meet the needs of their global customers by focusing on the industry's most critical issues and trends: sustainability, ease of use, performance, and on-site service.

This web site is provided to satisfy the virtual patent marking provisions of various jurisdictions including the notice provisions of 35 U.S.C. § 287(a).

The following list of ITW Food Equipment Group products and associated U.S. patents may not be all inclusive. Other ITW Food Equipment Group products not listed may be protected by one or more patents. Additional patents may be pending in the U.S. and elsewhere.
